The company will have to notify any changes in its registered office or company name as well as any changes that do not permit the continuation of deliveries.

Sistema Ambiente S.p.A. will not allow the delivery in the following cases:

- waste not listed in the notice
- delivery that does not comply with the Sistema Ambiente procedures
- reaching the quantity indicated in the information notice (both its own and that of delegating users)
- the occurrence of a closure of the Collection Centre or for unquestionable requirements of Sistema Ambiente S.p.A.

The transfer must take place in compliance with the instructions given by the Sistema Ambiente S.p.A. employees concerning safety and signs inside the Collection Centres where the transfer takes place. Unloading must be carried out manually and autonomously, following the instructions of the Collection Centre staff and within the Centre's equipment, respecting the waste sorting methods indicated on the signs.

The Company will be held liable for any damage to property or persons occurring as a result of the delivery.

Sistema Ambiente S.p.A., at its sole discretion, reserves the right to refuse the delivery of waste at its premises due to force majeure, for organisational reasons or due to the company's contrasts or non-fulfilment, including but not limited to late payment of the tariff, violation of the above-mentioned instructions, off-specification conferment, or other circumstances deemed to prevent the performance by Sistema Ambiente employees S.p.A.

Sistema Ambiente S.p.A., as Data Controller processes your data exclusively for the purposes related to the specific statutory activities pursued, also with reference to legal obligations, and when communicating them to third parties. The information notice pursuant to Articles 13 and 14 of Regulation (EU) 2016/679 in its essential and complete form, including the rights that can be exercised, is available at the Company's premises and in any case on the website www.sistemaambientelucca.it in the relevant section.
